About the DLC: Activision released eight additional downloadable characters for Marvel Ultimate Alliance via the Xbox Live Marketplace on April 26, 2007 in a set of packs: a Hero Pack, consisting of Cyclops, Nightcrawler, Hawkeye, and the Hulk, and a Villain Pack, which includes Magneto, Sabretooth, Venom, and a playable Doctor Doom, for 500 Microsoft Points (MSP) each.. Both packs are also available in the Playable Character Pack bundle pack for 800 MSP, which also adds 12 new achievements to the game.. The Gold Edition was released for the Xbox 360 in May 2007 which includes the standard game bundled with all downloadable content.
